**To our valued DXN Distributors:**

**Subject: PRICE ADJUSTMENT**

We would like to inform you that there will be an increase in prices of DXN products effective 1st February 2017.

The price increase is the result of the continued rising cost of raw materials, transportation, energy, and overall operational costs. Appropriately, the company realizes the need to institute such changes without compromising the quality of its products in return.

We wish to thank you for your continued support to the company and for understanding the necessity for this price increase. You may download the new price list by login to [www.peru.dxn2u.com](http://www.peru.dxn2u.com)

Should you have any questions, please contact DXN Peru office at (511) 241 7148.

Thank you.

Sincerely,

DXN MANAGEMENT
